Model 1 Commercial Vehicles

Q: Confirm that the only interior upfit would include cargo area flooring, and bulkhead (or partition) with rearward visibility?

A: The Outreach Van interior specifications include cloth seats, the scuff plate kit, D-pillar assist handles, bulkhead with lockable door, cargo tie-downs, full rear compartment lighting, and heavy-duty cargo flooring. For full specifications on both vehicles please visit <https://www.aurorapubliclibrary.org/RFP-RFQ-5227>.

Q: We need pictures of the four sides of the exterior and interior shots as well with detail pics of any significant damage etc.
