Bexley Public Library

Board of Trustees Expectations

Ohio libraries funded by the Public Library Fund are led by Boards of Trustees that comprise seven members for seven-year terms. A minimum of four of the seven Board members must reside in the Bexley Public Library's (BPL) service area (Bexley City School District). The Board is responsible for fiscal oversight and for guiding major decisions about strategies and operations.

MEETINGS:

- The Bexley Library Board of Trustees will meet regularly. All board and committee meetings, regardless of size, are subject to Ohio's Open Meetings Law.
- A quorum of at least four Trustees is required for voting purposes.
- Board terms are renewable according to the ORC, but BPL has instituted that no Trustee who begins his or her first term on or after January 1, 2021 may serve more than two (2) full consecutive seven-year terms.

EXPECTATIONS:

- Attend an initial orientation meeting and regular board meetings (usually 60-90 minutes) and participate on committees.
- Attend BPL events and support the Annual Fund.
- Serve on one or two committees that meet once or twice annually (unless there is a specific project that requires additional attention). Long-standing Board committees include Building and Grounds, Personnel and Salary, Finance and Budget, Policy, and Nominating. Ad-hoc or task-force committees can be created and populated with expertise as needed when determined by the Board and the Library Director.

TRUSTEE CANDIDATES:

- Board members are recommended by the Nominating Committee, which bases their decisions on the short-and long-term needs of BPL. The Nominating Committee strives to cultivate candidates who can add to the pool of existing Board skills and expertise and offer diversity in all forms.
- Candidates have shown a commitment to BPL through their support of library programs and events, and civic engagement.
- Based on the leadership and the changing needs of BPL, the desired range of skills and expertise offered by board members include strategic planning, legal, levy/public funding, historic preservation, facilities, architecture, fundraising/philanthropy, marketing/branding, community/civic engagement, education, and personnel/human resources.

More details on the role of Ohio Public Library Trustees and the BPL-specific Trustee Bylaws are found in Chapter 1 of the BPL Administrative Policy Manual.
