Revised 9/2022

# What is Library To-Go?

**Library To-Go** of the Calcasieu Parish Public Library provides personal delivery service to those who are unable to visit a library location due to age, illness, or disability. Library To-Go also delivers library materials to care facilities for adults such as assisted living facilities, nursing homes, group homes, and other locations to promote literacy and equality of access for all.

**Library To-Go** users can check out a variety of library materials, including books, audiobooks, CDs, movies, and magazines. Personalization is a key aspect of this service, and library staff will work with each location to meet their interests and needs.
