Challenge

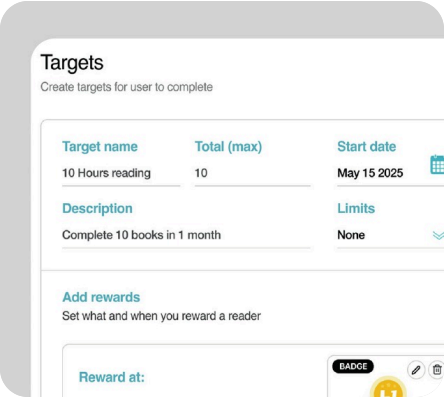

READING & ENGAGEMENT PROGRAMS

Challenge is a flexible engagement tool that empowers libraries to design and launch fully customizable, goal-driven programs tailored to any audience or initiative.

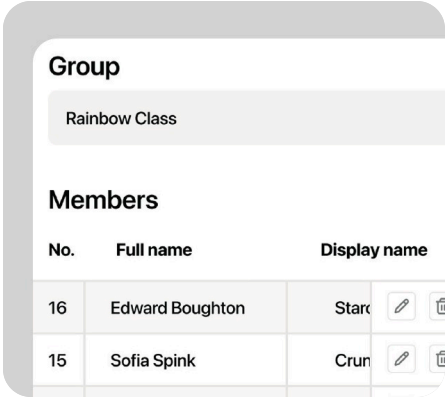

Customizable Registration

Set up unlimited registration types to fit the needs of your unique challenge.

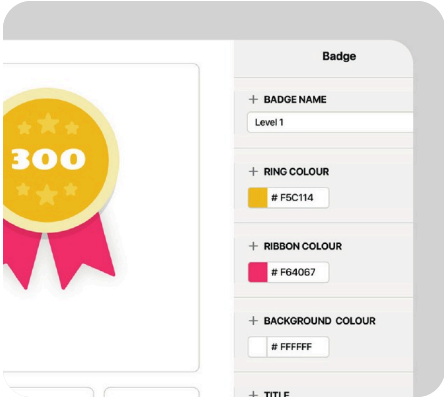

Designer Templates

Set up reading programs, trackers, seasonal goals and more with ease.

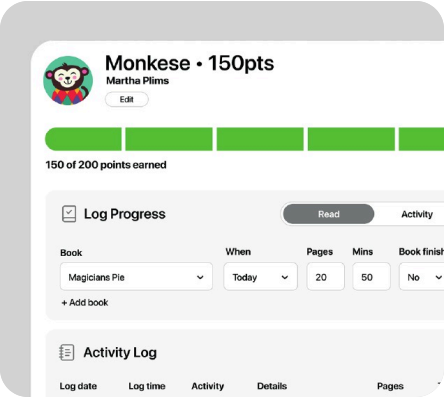

Group Challenges

Enable teams or groups to join and work together toward shared goals.

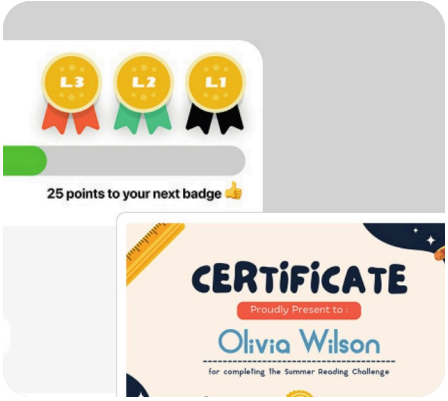

Build your Badges

Design badges that reflect your challenge's unique style and theme.

Track Progress

Log progress via web, Connect app, Interact kiosks, or with staff using Roam, our mobile service tool.

Earn Rewards

Offer incentives and rewards for individuals or teams who complete challenges.

Multiple Challenges
Simultaneously build, launch and manage as many challenges as you need.

Your Schedule
Create challenges in advance and set them to start automatically on your chosen date and time.

Countdowns
Keep users on track with visible countdowns showing time remaining to participate.

Leader Boards
Display leader boards on your website and on digital signage using Broadcast.

Printable Logs
Print reading logs for participants who prefer or need a non-digital option.

Activity History
Access a simple and clear overview of all tracked progress.

Motivational Messages
Boost engagement with positive messages that celebrate progress.

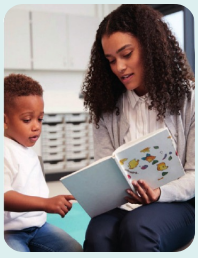

Reminders
Customers can receive reminders to log progress via email or push notification

School Engagement
Connect with schools to enroll students in your program ahead of summer.

Custom Reporting
Easily create reports to measure stats across all your challenges.

Empower your customers
- Encourage reading, learning, and goal setting
- Join community-wide or school-partnered challenges
- Set personal goals and track their own progress

Help staff
- Easily create and customize multiple challenges
- Encourage reading, learning, and goal setting
- Connect and engage with new audiences
