Thank you for the opportunity to submit a bid for landscaping services. While we are submitting proposals for three out of five locations, we regret that we are unable to take on the Main/Annex and the Northside Chillicothe projects this year due to limitations in equipment and staffing.

We are actively working to expand our resources and hope to be in a position to handle larger projects like this in the future.

Thank you for your understanding, and we look forward to the possibility of working together!
