

Cataloging Manager

Supervisor: Access Director

Position: FLSA Exempt

Pay Band: D

Position Summary

The Cataloging Manager oversees all aspects of the Cataloging department, including acquisition, cataloging and processing of all library materials. The manager ensures that acceptable cataloging standards are being followed and stays abreast of changes to processes and requirements.

Essential Duties & Responsibilities

- Formulate goals and objectives for cataloging within the scope of established policies.
- Supervise, train and evaluate cataloging staff.
- Participate in workshops and professional organizations to keep informed of current library trends and technology standards.
- Ensure statistics for Cataloging services, programs, activities and partnerships are compiled and reported.
- Maintain the integrity of the Integrated Library System database within library and consortium guidelines including the authority file and quality control of cataloging records.
- Catalog library materials using various software.
- Create original cataloging records for rare and non-traditional library materials in the Beyond Books Collection.
- Oversee the repair of damaged library materials, including scanning and reproduction of rare/local materials.
- Maintain relationships with necessary suppliers, distributors, and vendors.
- Evaluate current, new and trending software and technologies and identify and implement methods to improve cataloging processes and procedures.
- Report software, equipment, and other department needs and updates to the Access Director.
- Work closely with the Circulation Coordinator and IT team.
- Actively participate in safety and security trainings and utilizes training to protect the physical library, the library's online infrastructure, staff, and patrons.
- Perform related duties as required.

Qualifications

- Bachelor's degree.
- Two years library cataloging experience.
- Ability to troubleshoot minor software and hardware issues.
- Ability to communicate effectively.
- Demonstrated ability to plan work and train and supervise others.
- Familiarity with MS Office and other office productivity products.
- Keyboarding/Windows proficiency.
- Ability to operate library technology systems, including personal computer, software programs and other job related equipment.
- Must successfully pass a criminal background check.

Supervisory/Management Responsibilities

Hire, train, supervise and evaluate assigned staff within the Cataloging department.

Interaction
