## WORK

### COMMUNITY HEALTH ADVOCATE

Adena Health System | 2022-Present

- Crisis response for clients experiencing interpersonal violence, such as domestic violence, child abuse, sexual assault, or human trafficking.
- Building relationships with community partners to create clear pathways to vital services for clients.
- Collaborating with social services and medical staff to screen patients and identify needs so we may assist in navigating to community resources and services.
- Train incoming staff on standard procedures and best practices for advocacy, follow-up services, and resource navigation.

### STUDENT EMPLOYEE

Ohio University Chillicothe | 2018-2021

- In the Resource Center I assisted students with finding clothing for interviews within the business closet, as well as food and other household items to fit their needs within the pantry. I also collaborated with the Social Work Program to source and sort donations.
- As an Information Desk Associate, I communicated with students, staff, faculty, and the community through email, tradition mail, telephone, and in-person.
- As a Theater Tech, I assisted with sets, organized props and costumes, planned community outreach, and obtained sponsorships from local businesses.

### RECEPTIONIST

Carecore at Westmoreland | 2020-2021

- Screened staff, visitors, vendors, and agency employees through questionnaires and temperature checks; regularly clean and sanitize high traffic areas and entrances.
  - Input staff and visitor information into excel for proper documentation.
  - Coordinated visitation with resident's family members, assisted family in connecting with residents when face-to-face visitation was not an option.
  - Though not an official part of my job, I was often in the position to offer comfort and support to both residents and family members struggling with the impact of COVID-19.
