Removable Wall Vinyl

\$2.00 per foot

Removable, no residue, adheres to paint, wallpaper, wood paneling, Indoor use. WallFlair™ Removable Vinyl, matte calendered vinyl with a special removable acrylic adhesive that's ideal for interior graphics applications. The material adheres to flat, painted wall surfaces and most types of wallpaper and wood panels. With its clear, removable adhesive, WallFlair can be taken down easily without leaving a messy residue. This inkjet vinyl is not intended for use on unfinished walls, freshly painted walls of less than a month, specialty paints, and must be applied on a dry surface. Please test vinyl adhesion on painted wall for compatibility. Printing to bleed is not recommended. To prevent the edges from lifting, an 1/8" to 1/4" border is recommended.

Vinyl Guide
