**It's Time to Get Crafty Again!
Participate in Crafting for a Cause and help our community stay warm**

Henderson, NV – Join Henderson residents in the Henderson Libraries ninth annual Crafting for a Cause program. During this special project, participants have the opportunity to pick up a free skein of yarn and craft a knitted item for someone in our community who could benefit from a gesture of kindness.

The Gibson Library, located at 100 W. Lake Mead Parkway, serves as the home base for Crafting for a Cause. Beginning November 12, yarn can be picked up at this library during regular business hours. Volunteers then knit or crochet seasonal items, such as a scarf, hat, mittens, blanket, shawl, etc., and return the finished products to the Gibson Library Customer Service Desk by Friday, December 6 at 5 p.m.

“This is one of the easiest ways to share kindness in our community,” says Henderson Libraries Executive Director Marcie Smedley. “Henderson Libraries is grateful to have so many talented individuals that consider this project one of the highlights of their holiday season and we can’t wait to see what they craft this year.”

Last year’s Crafting for a Cause enabled Henderson Libraries to donate 360 completed pieces, including hats, headbands, scarves, sweaters for children, blankets, mittens, and arm warmers, to local organizations. To learn more about this project, please visit <https://hendersonlibraries.com/crafting-for-a-cause>.

Established in 1944 as a single library in Downtown Henderson, Henderson Libraries operates five locations in Henderson, providing free access to materials, programs, and services to meet the diverse and varied needs of the community throughout Southern Nevada. For additional information on Henderson Libraries, including the regular business hours of Gibson Library, visit www.hendersonlibraries.com or call 702-707-2665.
