# Library News & Events

*Providing Access to Information...for Life!*

## Exciting News for Our Library Patrons!

We're thrilled to announce a new change to our DVD checkout policy! Starting now, all new DVDs will be available for a 7-day checkout period, giving you more time to enjoy your favorite movies and shows. Whether you're planning a cozy family movie night, catching up on the latest blockbuster, or diving into a thrilling series, you'll have a whole week to make the most of your viewing experience.

Our shelves are stocked with the latest additions to our

collection, so stop by the library today and see what's new! As always, our staff is here to help with recommendations or to answer any questions you may have. We hope this change makes your library experience even better—happy watching!

LEGOs have long been a favorite at the Kendallville Public Library and Limberlost Branch, and we're excited to share some updates! LEGO sets can now be checked out for two weeks (with one renewal), and each library card can borrow up to five sets at a time. To keep our collection clean and buildable, staff have been hard at work replacing pieces, updating labels, and ensuring sets are ready for action.

Helpful LEGO Tips: Always return sets to the circulation desk (not the outdoor bins) and disassemble them before returning to help us get them back on the shelves quickly. If a set is incomplete or unbuildable, let a staff member know or email Leah Dresser at [ldresser@kenlib.org](mailto:ldresser@kenlib.org). Found a stray piece at home? Bring it back to the adult desk!

Thank you for helping us maintain this popular collection. Happy Building!
