COMICS PLUS[®]

POWERED BY LIBRARY PASS

If you love reading graphic novels and manga, you will want to check out the newest addition to the library's e-book collection, Comics Plus. With Comics Plus you will find a wide variety of titles from well-known publishers and authors. There are thousands of books to choose from with titles for the earliest of readers, grade-schoolers and teens. The best part is there are no holds and no limits to the number of titles you can borrow each month. Access Comics Plus at www.kendallvillelibrary.org or download the easy-to-use app. All you need to get started is your library card and a pin number. See a librarian for assistance.

No holds. No wait lists. No limits.

Evergreen Indiana Software Upgrade

The Indiana Evergreen Consortium recently launched a software upgrade. You may have noticed a refreshed look to our Evergreen Catalog. The improvements are not over, however. March 19, 2024 will bring an improved catalog discovery experience as we integrate *Aspen Discovery*. This fully-featured, open-sourced discovery system will provide a comprehensive look into library resources. It offers a user-friendly interface, groups formats of a title together, gives us a single search box along with smart search results to offer a simple and accessible look at library materials. This discovery model will integrate with e-content providers such as Hoopla, OverDrive, Tumblebooks and more so that you can still enjoy all of your favorite e-books and e-audio content. Instead of seeing e-formats interspersed amongst the print material you will be able to search by format followed by vendor, an instant way to filter right from the start. As your local library, we are here for you and are excited to offer low-barrier methods of exploration. Our mission: to provide access to information... for life.

Pick Up Seeds and Get Growing!

Let us help you start your garden! You can find a Seed Library at the Kendallville Library and its Limberlost branch in Rome City.

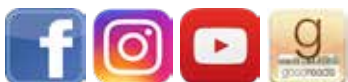

To get your hands on some seeds, just pick out what you'd like, fill out the spreadsheet (so we can see how many seeds get used), and grow! If you can, donate seeds back after you take in your harvest.
