Your Access to Information...for Life!

Inspiration Awaits

With so many amazing new materials, it can be hard to figure out what to check out next. Here are a few suggestions to build your TBR list.

First, use the catalog for inspiration. When you open up Evergreen, you will see scrolling lists of New York Times Best Sellers. Just click on the cover to see if the item is available now or you can place it on hold. Evergreen will pull from all the libraries in our consortium to get the material to you as soon as possible. Also, after you click on an item, scroll down past summary, subject and genre, to see the "Awards, Reviews, & Suggested Reads" section. Evergreen has similar titles and authors to browse.

Next, make sure to follow Kendallville Public Library on GoodReads. Many staff members have a shelf you can browse, find inspiration and add to your "Want to Read" list. GoodReads also has a huge variety of curated lists to inspire you.

Finally, make sure to use our apps. The MobileKPL app has a scrolling list of Amazon best sellers listed for inspiration. Hoopla has sections of Popular and Featured titles, and once you borrow a few, it will start to give you suggestions. Libby can help you find items based on newness, popularity and what is available now. Not sure how to use the apps listed? Sign up for an appointment in the adult department for a quick tutorial.

And if you are not in to technology, it is always a great idea to browse our displays, staff picks and BookPage.

Finally, don't forget about items beyond books. One cool new item is the Tonies in the youth department. Not sure what Tonies are or how to use them? Essentially, these boxes play a story and music when the characters are placed on top of the box. Characters include: Disney, Peppa Pig, Frozen and Disney Princess. No wifi is required so they're great for road trips and bedtime.

New Faces at the Libraries

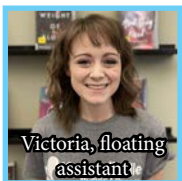

You may have noticed some new staff members on your trips to the library recently. We have grown over the past few months to include additions to several departments and a new board member- Dustin Fry.

We asked each of our new staff members what is their favorite thing about working at the library so far. Victoria said, "I love being able to do something that I've watched for such a long time." Krista said, "Seeing the kids face light

up when they get a book they can't wait to read." Andrea said, "It's a welcoming, inclusive learning environment." Bethany said, "I love that it's a place for the community to come together to play, learn, and read together. I also love the big windows."

We also asked them to share a fun fact about themselves. Victoria said, "I'm completely obsessed with my cat." Krista said, "I played saxophone in concert and stage band in high school." Andrea said, "I collect sunglasses to match my outfits." Bethany said, "I am currently learning Russian and Spanish."

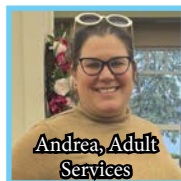

We look forward to learning more about our new staff and we are excited to grow at our libraries.

1000 BOOKS BEFORE KINDERGARTEN

Congratulations
Evelyn McCue

for finishing 1000 books &
Keene Conrad
for finishing 500 books!

The youth services department has made it even easier to complete this challenge with your child! You can now pick 10 books of your choice to read and then check off a box in your booklet instead of checking out one of our 1000 Books Before Kindergarten bags. We will still have our 100 bags, that contain 10 books and activities, available for checkout. Stop by the library to pick up your booklet and get started reading today. Remember that you earn prizes as you complete your booklet!

Wendy Stanton, Customer Service Associate

"I love meeting people that have the same taste in books!"

Thank you to Wendy for being instrumental in organizing the staff spotlight shelves near the circulation desk. Check the shelves each month for staff picks and fun facts.

Fuzzball fears that this new stranger will be a threat to her throne, but then realizes it could be opportunity to train an heir. Could Snowball shape up to be the perfect princess that Queen NoFuzzball is looking for, or will Snowball just be nothing but a royal pain

-Amazon

The Walk in Rome City starts at Grant Park and goes along the Kelly Park. In Kendallville, the walk starts at the front of KPL and then continues in a loop around the library through the west side of Bixler Lake Park.

Maps are available here: <http://kplib.org/AdventureWalk>.

National Library Week & Food Drive

April 23-29 is National Library Week and we would like to celebrate by having signs throughout the community.

During National Library Week, bring in a nonperishable food item (pet food is welcome too!) to earn a "We Love Our Libraries" sign for your yard. Once you've posted your sign, snap a picture and share on social media. Make sure to tag us on Facebook or Instagram.

Signs are limited to the first 100 patrons so act quickly. Thank you for the support!
