## ADVENTURE WALK

What happens during a solar eclipse? The sun vanishes. Light becomes dark. Day animals sleep, and night animals wake. The moon takes over the sky. People stop what they're doing and together, they look up. The whole world changes for a few beautiful minutes. Enjoy the spring weather while you walk and read **A few Beautiful Minutes** by Kate Allen Fox.

The Walk in Rome City starts at Grant Park and goes along the Kelly Park. In Kendallville, the walk starts at the front of KPL and then continues in a loop around the library through the west side of Bixler Lake Park. Maps are available here: <http://kplib.org/AdventureWalk>.
