Read 100 Books Before High School!

Middle School students can get started now building for their future! The 100 Books Before High School program is available for students in grades 6-8. It was created because reading is essential...it is a great way to build a solid foundation for everything else that you do. Believe it or not, the more you read, the more likely you will be to succeed in high school, in college, and into adulthood.

This program is an easy way to keep track of all the books you are reading in class and on your own. There aren't any rules for what you can and can't read, but you should try to read at your level. There isn't a rush. This program is meant to take years to complete...not months. So take your time! Students can pick up their booklet at the Kendallville Public Library at any time. As a bonus, for every 10 books you read, you can pick out a reward.

Plus, don't forget about our 200 Books Before Middle School program, open to upper elementary students in third grade and up.

ADVENTURE WALK
Fish and Crab are best friends, always there for each other. When it’s time for bed, Crab is ready to go to sleep, but Fish is still wide awake, wondering: What is that noise—that ooh, ooh? What if aliens abduct us as we sleep? What if it rains frogs? What if . . . so many things?! Enjoy the sunshine while you read Fish and Crab by Marianna Coppo.

The Walk in Rome City starts at Grant Park and travels along Kelly Park. In Kendallville, the walk starts at the front of KPL and then continues in a loop around the library through the west side of Bixler Lake Park. Maps are available here: http://kplib.org/AdventureWalk.
