<sup>1</sup>Library materials, except those listed in the Fee Schedule above, will not be assessed per-day late fees but will be charged the actual or default replacement cost if not returned within **10** days from the due date. While the goal of MDPLS is to ensure access to library materials, abuse of lending policies or failure to return items may result in blocking of lending privileges.

<sup>2</sup>Current fee as established by the U.S. Department of State (subject to change).

<sup>3</sup>The Department Director or designee(s) may mail library materials at no charge to library cardholders that are unable to visit library locations in person due to age, special needs, disability, lack of transportation or other hardship, and as part of pilot testing programs for new and innovative service delivery methods.

<sup>4</sup>The Meeting Room Fees shown are intended primarily for for-profit organizations or groups that do not meet the criteria described in this section. Nonprofits, individuals, educational, and governmental organizations that provide free services to the public in the form of training, learning and educational opportunities, cultural or artistic performances or exhibits, or other community services may utilize library meeting rooms, auditoriums, or other designated spaces in a library facility free of charge, subject to scheduling availability and approval by the Library Director or designee(s) of a completed Library Use Reservation Form. Such approval shall be conditioned upon the organization agreeing to allow attendance by the general public at no cost, and that the use shall not be for ~~political or sectarian religious purposes, nor for solicitation purposes~~. MDPLS shall provide a cost estimate, which must be paid prior to the scheduled event, for staffing, security and facility costs for approved usage beyond normal operating hours. Use of Library facilities by the Elections Department for election-related purposes takes scheduling preference over all other usage requests.

<sup>5</sup>Default replacement cost is utilized only when the actual replacement cost of an item is absent from the item record in the database. In all other cases, the actual replacement cost will be charged. Every Library item checked out is considered lost after **10** days from its due date.

The Department Director or designee(s) shall have the authority to waive, refund, adjust late fees and fines, and extend due dates during a declared emergency, as well as in the following circumstances:

- (1) Materials are returned and are still in a condition deemed suitable for future circulation; and
- (2) As part of a promotional event, such as a library card drive or fee amnesty promotion, as examples; and
- (3) To purge dormant patron accounts with and/or without outstanding fines, but no circulation activity within the past three (3) years in accordance with Implementing Order 3-9, Accounts Receivable Adjustments; and
- (4) On a case-by-case basis deemed to be in the best interest of the Department's goal of ensuring free access

to library materials, increasing library usage, and/or assisting those with financial hardships in a manner that would not adversely or materially impact the Department's annual budget.
