Outreach Services | Books By Mail

For elderly or house-bound patrons who are unable to physically visit our branches, we offer a Books By Mail service. Books are mailed via Canada Post with postage and return postage paid. Books are sent for a twelve week loan period.

This service is for residents of Middlesex County only. There are no requirements to utilize the books by mail service; patrons can self-identify as in need of the program.

If you are not currently a Middlesex County Library card holder, please contact us at either the email address or phone number listed below or visit any Middlesex County Library branch.

To get started with Books By Mail, complete **both pages** of this form, then return the completed form to:

Outreach Services
34B Frank Street
Strathroy, ON N7G 2R4

or as an email attachment to outreachservices@middlesex.ca
