From the Director's Desk

Dear Patrons,
As the end of the year approaches, I find myself reflecting on the past year and feeling grateful for the good things we have done, and continue to do, for our patrons. The library is a haven for many people, and I am happy that we can help our community in whatever way is needed. Whether it's for help in finding resources, working on the computer, attending programs, or finding a good book to read, the library is the place for everyone!

We continue to increase our programs, especially at our Station Library, and are busy making plans for some building renovations there. (See page 2) We recently started accepting passport applications and are happy to bring this service to our community. Our social work interns from Stony Brook University are back and able to help patrons with their individual needs. (See page 12) It was wonderful to see many of you while we were out in the community participating in the fall activities, as well as the Back-to-School nights! We always enjoy seeing our patrons both in and out of the library!

As always, I thank you for your continued support. If there is anything I can do to help you, please don't hesitate to reach out to me at 631-427-5165, ext. 206 or email me at joanne_adam@huntlib.org.
Wishing you all a Happy Thanksgiving and a happy holiday season!

Warm regards, *Joanne Adam*, Library Director

3D Printing Design Centers: Main and Station Libraries

3D Printers

are now available in both buildings! You can search for designs at www.thingiverse.com, download the files, and fill out the form on our website:

myhpl.libnet.info/3d-printing-8572.

Or, you can create your own designs at www.tinkercad.com. Online lessons teach you how to use the software to design unique objects. You can export the file and send it to us for printing.

We charge \$1.00 per hour of print time that gets used towards purchasing the PLA filament. A typical print takes 4 or 5 hours, with a maximum print time of 12 hours.

We cannot run the machines when we are closed. Our printers can produce objects up to 11x11x15 inches as long as the print time can be completed during normal library hours. We will not print objects that are prohibited by law (i.e., weapons or parts of weapons).

Main Art Gallery

The Art of Stanko

November 1 – 30

Reception: Saturday, November 4 • 2:00 – 4:00 pm

Ike Stanko is inspired by the world around him; his colorful paintings portray still life, nature, contemporary society, and pop culture. Using high contrast primary colors, Stanko's art stands out as both familiar and iconic.

Comfort and Joy: Quilts by Joan Orr

December 4, 2023 – January 8, 2024

Joan Orr was a beloved quilt teacher in the Huntington area for over 35 years. She taught classes with the Huntington Historical Society and Adult Education with the South Huntington School District. Many of today's Huntington area quilters are her former students. Joan knew how to execute quilt patterns of varying difficulty, from beginner patterns to the expert. We are pleased to host some of her most beautiful works in our gallery.

Main Street Display Cases

North American Indian Art presented by Chet Lukaszewski

November 1 – 30

Mr. Lukaszewski teaches American Indian Studies at a local high school. This exhibit showcases Native American inspired art created by his students, with the intention of honoring the creativity of the people indigenous to the land we call home. Each unique piece was carefully researched and skillfully crafted to provide accurate representation.

Mr. Lukaszewski says, "knowledge of a people's arts and material culture provides an individual a key to understanding their way of life."

Lost & Found Between the Pages

December 1 – 30

After books journey out to the world, they sometimes return to the library with snippets from patrons' lives. Forgotten, stuck, and swept away – the items in our display cases this month have found their way to HPL and will be celebrated in our "Lost & Found between the Pages" exhibit. Is one of these postcards, grocery lists, musings, doodles, or other treasures yours? Let us know and we'll make sure it gets back to you!
