

Trustee Candidate Questionnaire 2025

Candidate name: Jen Hebert

How long have you been a resident of Huntington School District #3?

27 years.

In what community groups are you (or have you been) an active participant?

I was active in the PTA when my kids were in school. I served on the Huntington Board of Education for 9 years (2011-2020.) I'm currently on the library board.

Why do you want to be a library trustee?

The library has always been a special place for me, and I know the value it brings to our community. It gives me great satisfaction to support our local library branches and contribute to the management and oversight of such a wonderful institution.

What is the most important contribution you could make to the library?

I've had years of experience serving on a board, and I believe my experience in dealing with budgetary issues, contract negotiations and capital projects is a valuable contribution to serving on the library board.

What do you find are the most valuable library services to you as a patron?

As a patron, I have greatly enjoyed the programs offered for both kids and adults. The library is a wonderful setting for learning something new. But I'd say the most valuable library resource is the library staff. They are an incredible resource for our community.

Additional comments / Personal statement.

Huntington has been my home for almost 30 years. It's where my husband and I raised our three sons, where we work and where we live. It would be my privilege to serve our community as a member of the Huntington library board.
