

WPLD FanCon

Saturday, April 11, 2026
Warrenville Public Library District
Warrenville, Illinois

I am going to
WPLD FanCon
at the library.

If I want, I can
dress up in a
costume.

When I get there, I might need to wait in line at the welcome table.

Then, I can look at the map to find the activities I want to do.

There might be a lot of people in the library for this event.

I can find one of the sensory spaces or go outside if I need a break.

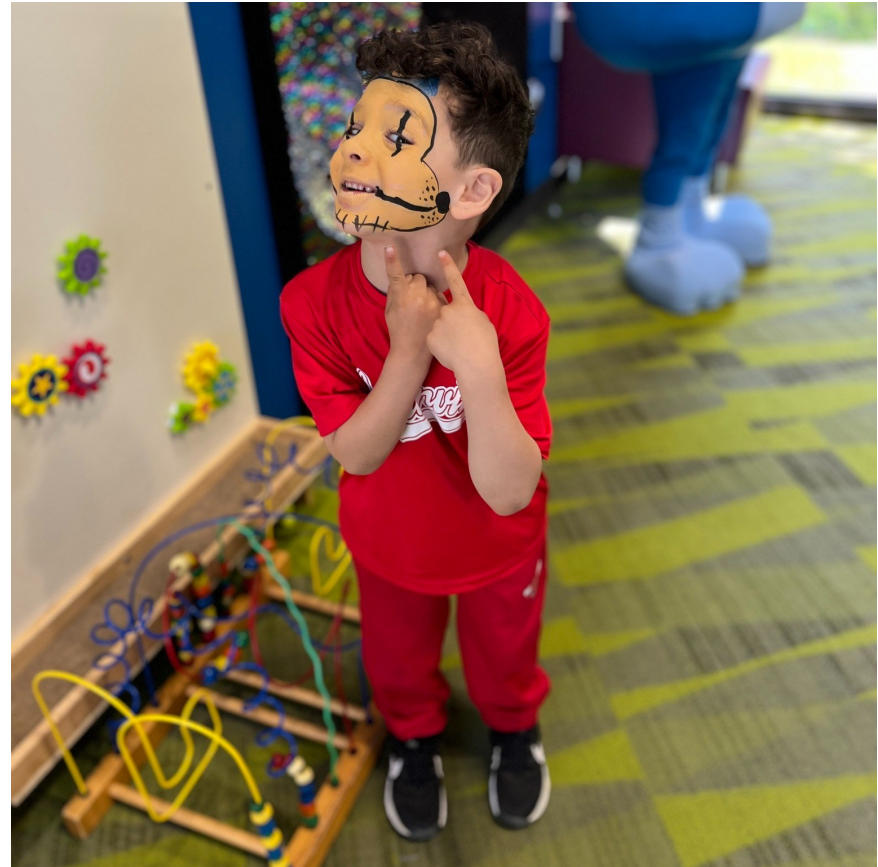

There will be many activities to do. I will wait my turn to enjoy them.

I can go to a special program like Sticker Bingo or Bluey Storytime.

I can get my face painted.

I can do crafts.

I can spin the wheel
to get a prize.

I can talk to authors
and artists.

Some people at the event will be wearing costumes. I can ask if I can take a picture with them.

If I need help, I can find a library staff member or volunteer wearing a FanCon t-shirt or FanCon lanyard.
