

WPLD FanCon

Warrenville Public Library District
Warrenville, Illinois

I am going to
WPLD FanCon
at the library.

If I want, I can
dress up in a
costume.

When I get there, I might need to wait in line at the welcome table to get my event map.

The map will show me where all of the activities are happening today.

There might be a lot of people in the library for this event.

I can find one of the sensory spaces or go outside if I need a break.

There will be many activities to do. I will wait my turn to enjoy them.

I can go to a special program
like Jedi training or Bluey
Storytime

I can get my face painted.

I can do crafts.

I can spin the wheel
to get a prize.

I can talk to authors
and artists.

I can watch people in costumes in a parade or join the parade in my costume.

Some people at the event will be wearing costumes. I can ask if I can take a picture with them.

If I need help, I can find a library staff member wearing a name badge and a FanCon t-shirt.
