I. REQUESTS FOR PUBLIC RECORDS

A. Responsibilities of FOIA Officer

The Public Body's Freedom of Information Officer ("**FOIA Officer**") is the person administratively responsible for receiving and processing all requests to inspect, copy, or certify public records under the Act and this FOIA Policy. The FOIA Officer is the person with authority on behalf of the Public Body to grant or deny requests to inspect, copy, or certify public records filed pursuant to the Act and this FOIA Policy, to extend the time for response, and to issue appropriate notices. The Public Body shall designate one or more officials or employees to act as its FOIA officer. The FOIA Officer shall not be considered to be an "officer" or "official" of the Public Body for any purposes other than those specified in the Act. If only one FOIA Officer is designated, the Public Body shall designate a Deputy who will act on the FOIA Officers behalf in the event that the FOIA Officer is unavailable.

B. FOIA Officer Training

The FOIA Officer(s) shall successfully complete an annual training program developed and administered by the Public Access Counselor pursuant to Section 3.5(b) of the Freedom of Information Act. Any FOIA Officer who is subsequently appointed shall complete the electronic training curriculum within 30 days after assuming the position.

C. Requests

All requests to inspect, copy, or certify public records must be in writing, directed to the Public Body and submitted via personal delivery, mail, fax, or other means available to the Public Body in accordance with Section 3(c) of the Act. The Public Body prefers that a requestor submit an email by using the contact form available on the library's website at <https://fremontlibrary.org/library-admin-foia>, but the Public Body will honor all written requests lawfully submitted to the Public Body even if it is not submitted this way. Any written request submitted to the Public Body for a public record shall be deemed to be a FOIA request and treated accordingly.

To facilitate the receipt and processing of Requests, the Public Body shall maintain an email address dedicated to such FOIA requests and said email account shall be monitored daily by one or more FOIA Officers. The Public Body shall also include information on its web site and all social media sites directing the public to said email address and, where practical, establish a link on the web site and social media sites to that email account to assist the public in making a request and facilitate the processing thereof.

D. Receipt of Requests

FOIA requests submitted in writing via personal delivery, mail, fax, or other means available to the Public Body must be addressed to the Public Body and will be deemed received only upon actual receipt by the Public Body on a working day, regardless of date of transmittal. Any request submitted via e-mail to the Public Body shall only be deemed received and proper when directed to the Public Body as specified in Paragraph I(C) above. An email sent during business hours will be deemed received on the day it is received by the Public Body. An email sent after business hours will be deemed received on the following business day.

E. Request Processing

All requests for inspection and copying received by the Public Body shall immediately be forwarded to its FOIA Officer or designee in accordance with Section 3(c) of the Act. Upon receiving a request for a public record, the FOIA Officer will note the Request with the date and time of receipt by the Public Body, compute the day on which the Response is due and note the date on which the Response is due on the Request. The FOIA Officer will maintain an electronic or paper copy of the Request, including all documents submitted with the Request, until the Request has been complied with or denied. The FOIA Officer will create a file for the retention of the original request, a copy of the response, a record of written communications with the requester, and a copy of other communications related to the Request.

F. Supplemental Requests

Supplemental, amended, or additional requests to inspect, copy, or certify public records will not relate back to the time of receipt of the initial request. Supplemental, amended, or additional requests will be considered new requests for purpose of determining all applicable time periods.

G. Interpretations or Advice

The FOIA Officer(s) shall not interpret or advise Requestor as to the meaning or significance of any public records. The FOIA Officer is encouraged to contact the Requestor, if necessary, to clarify the Request. The FOIA Officer is also encouraged to seek advice on appropriate responses from the Public Body's Attorney. The FOIA Officer(s) may seek advisory opinions from the Public Access Counselor as specified below.

II. RESPONSES TO REQUESTS**A. Time for Response**

The Public Body will respond to any FOIA Request filed pursuant to Section I of this FOIA Policy within time required by law. All responses and decisions required to be issued by the Public Body pursuant to the Act or this FOIA Policy will be conclusively deemed to have been given as of the date of mailing or electronic delivery, regardless of the date of actual receipt by the Requestor.

B. Responding to Requests

The FOIA Officer may consult with the Public Body's Attorney before responding to any request to inspect, copy, or certify public records.

C. Requests for Records to be Used for a Commercial Purpose

In accordance with Section 3.1(a) of the Act, the response to requests for records to be used for commercial purposes, as defined in Section 2(c-10) of the Act shall (i) provide the Requestor an estimate of the time required by the Public Body to provide the records requested and an estimate of the fees to be charged, which the Public Body may require the Requestor to pay in full before copying the requested documents, (ii) deny the request pursuant to a lawful exemption; (iii) notify the Requestor that the request is unduly burdensome and extend an opportunity to the Requestor to attempt to reduce the Request to manageable proportions, or (iv) provide the records requested. Unless the records are exempt from disclosure, the Public Body shall comply with a request within a reasonable period of time considering the size and complexity of the request, giving priority to records requested for non-commercial purposes. It is a violation of the Act for a person to knowingly obtain public records for a commercial purpose without disclosing it is for a commercial purpose.

D. Form of Response**1. Disclosure of Public Records.**

- (a) Except as otherwise specifically authorized by the FOIA Officer, only Public Body personnel will be permitted to search Public Body files, records, or storage areas; to use Public Body equipment; or to make copies of Public Body's public records. Original public records may not be removed from the Public Body's Office at any time.
- (b) Public records requested under the FOIA may be inspected, or copies of public records obtained, during Business Hours at the Public Body's Office. Because space is limited, Requestors must make arrangement in advance with the FOIA Officer for a specific appointment to inspect public records at the Public Body Office.
- (c) Requests for the reproduction of any public records that are tape recordings will be honored in accordance with the provisions of the Act and this FOIA Policy.
- (d) The Requestor must pay all copying, certification, and postage fees in advance of receiving copies of any public records.
- (e) When requested in electronic format, records will be furnished in the electronic format specified by the Requestor, if feasible, in accordance with Section 6(a) of the Act. If it is not feasible to furnish the records in the specified electronic format, then the Public Body will furnish the record in the format in which it is maintained by the Public Body, or in paper format at the option of the Requestor.
- (g) No charge shall be made for the cost of documents presented on electronic media, other than the actual charges of the media itself, unless the number of pages of the records provided exceeds 50 pages.

- 2. Repeated Requests. Repeated requests from the same person for the same records that are unchanged or identical to records previously provided or properly denied under the Act shall be deemed unduly burdensome in accordance with Section 3(g) of the Act.

3. Redacting Information. When a request is made to inspect or copy a public record that contains information that is exempt from disclosure, but also contains information that is not exempt from disclosure, the FOIA Officer may elect to redact the information that is exempt, making available the remaining information for inspection and copying.
6. Denial. If the FOIA Officer determines that all or any part or portion of any public records requested on a Request filed pursuant to Section I of this FOIA Policy are not subject to disclosure under the Act or this FOIA Policy, the FOIA Officer will notify the Requestor in writing of that determination, including a detailed factual basis for the application of any exemption claimed, the reason for the denial, and the Requestor's right to judicial review and review by the Public Access Counselor, including the Public Access Counselor's address and phone number ("**Notice of Denial**"). In the event that a Request is denied on the grounds that the records are exempt under Section 7 of the Act, the notice of denial shall specify the exemption claimed to authorize the denial and the specific reasons for the denial, including a detailed factual basis and a citation to supporting legal authority.

E. Failure to Respond

If the FOIA Officer fails to respond to a Request properly filed under Section I of this FOIA Policy, the Request will be deemed to be denied as of the last day permitted for the response.

F. No Obligation to Create New Records

Except as provided in Section V below, in responding to Requests to inspect, copy, or certify public records, the Act and this FOIA Policy does not require the Public Body to create records that the Public Body does not already maintain in record form.

III. INTERACTION WITH PUBLIC ACCESS COUNSELOR

A. Receipt of Request for Review

In the event that the Public Body receives a copy of a request for review from the Public Access Counselor which specifies records or other documents that the Public Body shall furnish to facilitate the review, the Public Body shall provide copies of the records requested within seven working days and shall otherwise fully cooperate with the Public Access Counselor in accordance with Section 9.5(c) of the Freedom of Information Act. After it receives any copy of a request for review and request for production of records from the Public Access Counselor, the Public Body may, but is not required to, answer the allegations of the request for review pursuant to Section 9.5(d) of the Act, including filing affidavits or records concerning relevant matters. Records that are obtained by the Public Access Counselor from the Public Body for purposes of addressing a request for review under Section 9.5 of the Freedom of Information Act will not be disclosed to the public by the Public Access Counselor. The Public Body may furnish affidavits or records concerning any matter germane to the review.

B. Adherence to Binding Decisions of the Public Access Counselor

Upon the receipt of a binding opinion from the Public Access Counselor concluding that the Public Body has violated the Act, the Public Body, at its discretion, shall either take necessary action as soon as practical to comply with the directive of the opinion or shall have the option of filing an administrative review action pursuant to Section 9.5(f) of the Freedom of Information Act.

IV. FEES

A. Fees Established

Unless fees are waived or reduced pursuant to Section IV.C below, each Requestor must pay the following fees for copying, certification, and mailing of public records, which the Public Body has determined to be reasonably calculated to reimburse its actual cost for reproducing and certifying public records and for the use, by any person, of the equipment of the public body to copy records:

Copies — letter or legal	\$.15 per side

When the services of an outside vendor are required to copy a public record, the actual reasonable charges of the outside vendor will be the fees for copying such records, notwithstanding the fees stated above.

In the event that the Public Body provides records in response to a Request but fails to respond within the requisite periods, such copies shall be provided free of charge in accordance with Section 3(d) of the Act.

B. Method and Time of Payment

Payment of all required fees must be made in cash, by cashier’s or certified check, or by money order prior to the examination, copying, or certification of any public record.

C. Waiver of Fees

The fees provided in Section IV.A above may be waived or reduced by the FOIA Officer or another appropriately authorized official if the Requestor states the specific purpose of the request on the Request and establishes to the reasonable satisfaction of the FOIA Officer that a fee waiver or reduction would be in the public interest. Any request for fee waiver or reduction must be indicated on the Request at the time the Request is filed. A fee waiver or reduction will be considered to be in the public interest only if the principal purpose of the request is to disseminate information regarding the public health, safety, and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit to the Requestor. The FOIA Officer may consider the number of requested public records and the cost and necessity of copying them in setting the fee waiver or reduction amount.
