WESTLAKE PORTER PUBLIC LIBRARY RECEIVES CLEAN AUDIT

(Westlake)Westlake Porter Public Library has passed its recent audit, which means auditors found no weaknesses or deficiencies in the library’s financial management and record-keeping. In addition, the library was found to be in compliance with the laws, regulations, contracts and other agreements it is required to meet. This continues the library’s longstanding record of successful audits.

“I am not at all surprised by this result,” said Library Director Andrew Mangels. “Our Finance Department works very hard to make sure the library is a good steward of the funds entrusted to us by the community, and the rest of the staff do a great job following the fiscal procedures Finance has put in place.”

This year’s audit took place in late spring and covered the year 2021.

Auditors from the Ohio Auditor of State’s office performed audit procedures agreed upon by the Board of Trustees, Library management and the State Auditor. The procedures were

conducted in accordance with the Comptroller General of the United States *Government Auditing Standards*. All records were found to comply with the standards.
