

CELL PHONE POLICY

Cell phone use is permitted in all Alexandria Library facilities, but customers are advised to silence their cell phones by setting them to vibrate or mute. Discernable obscene, abusive, threatening or insulting language while speaking on the phone will not be tolerated, either in buildings or on library grounds.

Disruptive noise levels resulting from cell phone conversations and/or phone ringtones will be addressed on a case by case basis as a noise-related issue. Library staff may direct any cell phone users to designated cell phone areas if staffers reasonably believe they are disturbing others. Staff reserves the right to ask customers to leave any Library building if cell phone use is overly disruptive.
