

SMOKING POLICY

The Alexandria Library is committed to providing a healthy and safe environment for customers and staff.

Smoking is prohibited in all library facilities, including public and non-public spaces, and library vehicles. The ban includes all tobacco products, any burnable product, electronic cigarettes and vaporizers. This pertains to staff, customers, contractors and vendors.

Smoking is discouraged near the entrances and exits of all Library facilities. While smoking, individuals may not hinder entrance to or exit from a library facility or impede library business.
