

# NEED A TUTOR?

Get free online homework help and more from **Tutor.com**

**SEVEN DAYS A WEEK**  
3:00 – 11:00 p.m.

Your Carmel Clay Public Library card gives you **up to seven free** tutoring sessions per week.

## What is Tutor.com?

Tutor.com is an online homework help and tutoring service for all ages, from elementary students to adult learners.

The tutors are experts in their subjects and include certified teachers, college professors, graduate students, select undergraduates from accredited universities, and other professionals. Tutor and student work one-to-one in a secure online classroom, and no personal information is exchanged between them.

## How does it work?

Tutors only work with one student at a time, step-by-step, to make sure the student really understands the material. Tutors never just give the answer.

**The service is available seven days a week from 3:00 p.m. to 11:00 p.m.** The library provides each patron with up to seven free tutoring sessions per week. A typical tutoring session averages 25 minutes.

## Carmel area students say

“I love it. It’s my lifeline to surviving tough homework.”

“My tutor really helped me understand my homework more! She asked me questions the whole way through to make sure that I understood what we learned. I hope I have her in the future!”

“My chem tutor was fantastic. She spent enough time with me so that I could really understand the material and was very patient when I didn’t understand something. She had me do the steps rather than just doing them for me and moving onto the next student in the queue.”
