

HIGHLAND PARK PUBLIC LIBRARY

Policy 404

Library Display Cases

The exhibit cases will be used to enhance the Library's environment and stimulate interest in the Library's collections. The materials selected for display should be of special cultural or artistic merit, or of particular educational or community interest. Materials belonging to individuals who live or work in Highland Park will be given preference.

The displays must be of general interest.

All requests for use should be made to the Executive Director who shall determine suitability, date, and duration of displays.

The exhibitor must sign a form releasing the Library from responsibility for theft or damage.
