

PLAYING OUR WAY TO LITERACY

Read

Write

Talk

Sing

Play

MONDAY

Practice singing the ABC song while handwashing. It takes about 25 seconds, which is the recommended scrub time.

TUESDAY

Scribble a drawing or letters by connecting dots. Mail it to a loved one you miss.

WEDNESDAY

Give your child a card with a letter written on it. Have a scavenger hunt to find items that begin with that letter.

THURSDAY

Have fun with a label maker or use index cards with tape to label everyday objects throughout your home such as chair, fridge, and sink.

FRIDAY

Read aloud whatever you enjoy reading, and talk about why you like it and enjoy reading.

SATURDAY

Write the alphabet on Duplo blocks. Spell words, build letter towers, match up letters, or go hide them and have kids find them inside or outside.

SUNDAY

Make the shapes of letters with your whole body while slowly singing the alphabet.

LITERACY TIP:

Learning letter sounds along with letter names, helps kids learn to decode words when they begin to read.
