MONDAY

Today is Monday!
Try singing the days of the week to the tune of "Bumping Up and Down In My Little Red Wagon."

TUESDAY

Read a book or tell your child a story that you enjoyed when you were their age.

WEDNESDAY

Cut out some gingerbread man shapes, and let your kids make them into paper dolls by drawing their face and clothes.

THURSDAY

Ask your child some "Would You Rather" questions. Example: Would you rather live in a house shaped like a circle or a house shaped like a triangle?

FRIDAY

Put a blindfold on your child or ask them to cover their eyes. Give them something to smell and ask them what they think it is. Try a fruit, soap, or spices.

SATURDAY

Set up an obstacle course for your child using objects you have around the house. Try jumping over pillows, or balancing a teddy bear on your head!

SUNDAY

Cook a healthy, child-friendly recipe with your kids. Try smoothie popsicles or trail mix.

LITERACY TIP:

Rhyming words help kids understand how to read by breaking words down into smaller parts.
