

PLAYING OUR WAY TO LITERACY

Read

Write

Talk

Sing

Play

MONDAY

Make shadow puppets before bedtime. What shadows can you create?

TUESDAY

Line up buckets or large bowls in front of your child starting near, and getting farther. Have your child throw a beanbag or ball into each bucket.

WEDNESDAY

Challenge yourself to read as many books as you can today!

THURSDAY

Do you have any books you don't need anymore? Donate them to a Little Free Library or give them to a friend!

FRIDAY

Make letters and numbers out of Play-Doh or clay.

SATURDAY

Sing the song "Down By The Bay" and then come up with your own rhymes! Example: Did you ever see a shark playing at the park?

SUNDAY

Ask your child what makes them happy? Sad? Angry? Proud? What other emotions do they feel?

LITERACY TIP:

Movement and dance are important for your child's brain development! Exercise delivers oxygen to their growing brains.
