

Bartholomew County Public Library Donations Policy

- A. BCPL staff accept material donations on behalf of the Friends of the Bartholomew County Public Library. Donations can be accepted by Circulation, Reference, Children's and Teen Services, or Hope Branch staff.
- B. BCPL does not accept art works, furniture, plants, videos, textbooks, curriculum materials and other items which cannot be sold in the Friends of BCPL book sale.
- C. Donors must arrange for their own delivery of items to the library.
- D. Although BCPL cannot assign value to the donated materials, BCPL staff, upon request, will sign a list of items donated. (List must be provided by donor.)
- E. Donated materials may be sold in the Friends of BCPL book sale, discarded, or be transferred by Friends of BCPL to the library itself. Donated materials may become part of the library collection if they meet criteria outlined in the Collection Development Policy.
