

Commemorative Donation Form

A gift to the Library is one that will be enjoyed by the community for years to come. Dedicating a book or other materials is a unique way to commemorate special events or honor the memory of loved ones.

For each gift of \$25 or more, the Library will select a recently acquired book (or other library material) for dedication from one of the subject areas suggested by you or the family of the individual you are honoring.

You will receive an acknowledgement from the Library as will the person you honored or, if a memorial, the family of the person you remembered.

A book plate announcing your gift is inserted in the front of every dedicated book.

In order to complete the Commemorative Donation form, you will need:

- The name of the person you wish to honor or remember,
- The name and address of the person who will receive an announcement of your gift,
- The subject area or type of material from which the staff should select a title, and
- Your monetary donation.

In some instances, family who ask for memorials in honor of a loved one have contacted the library and specified a collection or subject area to which they would like memorials directed.

If you have any questions regarding a Commemorative Donation, please ask a member of the Library staff or contact the Administrative Office at 630/393-1171 x118.

Donations are subject to the Library's Gifts, Donations & Sponsorships Policy which is available online at Warrenville.com/library-policies

I have always imagined that Paradise will be a kind of library.

~ Jorge Luis Borges
