February 15, 2010

Dear Sir or Madam:

The Friends of Westlake Porter Public Library is pleased to announce the inception of a **Corporate Sponsor program!** Friends of Porter Public Library is a 501(c)3 that raises funds for “extra” library projects that make our library special!

In the past, Friends has funded a Reading Garden, Children’s section, and special programming. Friends sponsors the Summer Reading Program, the Sunday Sounds program, and the Joyful Noise program. We also purchase minivans for community outreach to Nursing Homes, Assisted Living Centers, and Day Care Centers.

Would you please consider being a Corporate Sponsor at one of the following levels? The benefits are also listed below:

## **Platinum - \$500/year**

- Your company banner will be at one Friends event, showing that your company is sponsoring that event (i.e. a Sunday Sounds program)
- Two week listing on the Circulation Desk TV
- Logo and listing in both the Friends and Library Notes newsletters
- Listing on the Friends website

## **Gold - \$250/year**

- Two week listing on the Circulation Desk TV
- Logo and listing in both the Friends and Library Notes newsletters
- Listing on the Friends website

## **Silver - \$100/year**

- Logo and listing in both Friends and Library Notes newsletters
- Listing on the Friends website

All Corporate Sponsors will be recognized at the Friends Annual Meeting and throughout the year at various events. Please contact me at the e-mail or number below and I would be happy to answer any questions. Thank you!

Sincerely,

Jennifer Cirincione, President, Friends
